Upper Animas LT Remed Outreach Plan v2 Laura.docx

I filled in names of some of the local officials and also added in some other possible groups you might want to consider reaching out to as possible advocates. My favorite is the Great Old Broads for Wilderness! In addition to a local Broadband (Chapter), it looks like this group may have started in Durango. ☺

For Monday's meeting a draft for your review with the understanding that this has not been reviewed by CDPHE. It no doubt has gaps and missing items (including names) but it will form the basis of discussion. Bill and I will not be able to attend the Monday meeting so Cynthia will present. johanna
